

Dear ISH Community,

As we are all aware, the COVID-19 virus has disrupted many countries around the world, including Cuba, and is having a significant impact on global travel and many other things we take for granted.

To help us prepare for any eventuality we need your help.

We are asking all families to complete [THIS SHORT SURVEY](#). As part of our protocol for protecting our community during this virus, we are gathering data on any travel that occurred after February 28th 2020, or that will take place until the end of the 2020 academic year, including Spring Break. This will help us to track the whereabouts of our students and their families in case they enter a country labelled at high risk by the CDC, the WHO or other governing bodies.

This data will be seen and used solely by the ISH administration, to ensure the safety and wellbeing of the ISH community.

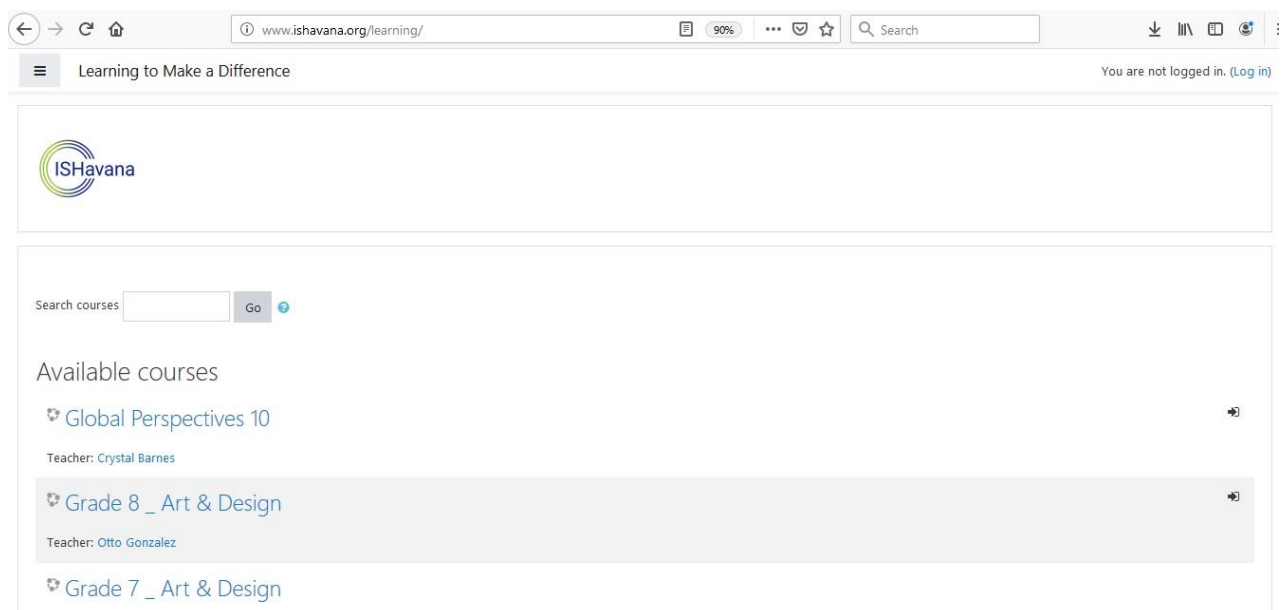

For families with Secondary School aged students, please [CLICK HERE](#) to test if you can access our e-learning platform

If you see something that looks like the attached picture you are good to go.

If not please contact the school so that we can support you in accessing this important tool for ongoing learning.

In partnership,

ISH Leadership Team

A search bar is present with the text "Search courses" and a "Go" button. Below the search bar, the "Available courses" section lists three options: "Global Perspectives 10" (Teacher: Crystal Barnes), "Grade 8 _ Art & Design" (Teacher: Otto Gonzalez), and "Grade 7 _ Art & Design". The "Grade 8 _ Art & Design" course is highlighted with a grey background.

Estimada Comunidad ISH,

Como todos sabemos, el COVID-19 ha afectado a muchos países en todo el mundo, incluyendo Cuba, y está teniendo un impacto significativo en los viajes a nivel global y muchas otras cosas que damos por sentado.

Para ayudarnos a preparar cualquier eventualidad necesitamos de su ayuda.

Le pedimos a todas las familias que completen [ESTA ENCUESTA](#). Como parte de nuestro protocolo para proteger nuestra comunidad durante el virus, estamos reuniendo información de cualquier viaje que ocurrió después del 28 de febrero de 2020 o que tendrá lugar hasta el final del curso académico de 2020, incluyendo las vacaciones de primavera. Esto nos ayudará a tener información de donde han estado nuestros estudiantes y sus familias en caso de visitar un país clasificado de alto riesgo por el CDC, el WHO y organismos rectores.

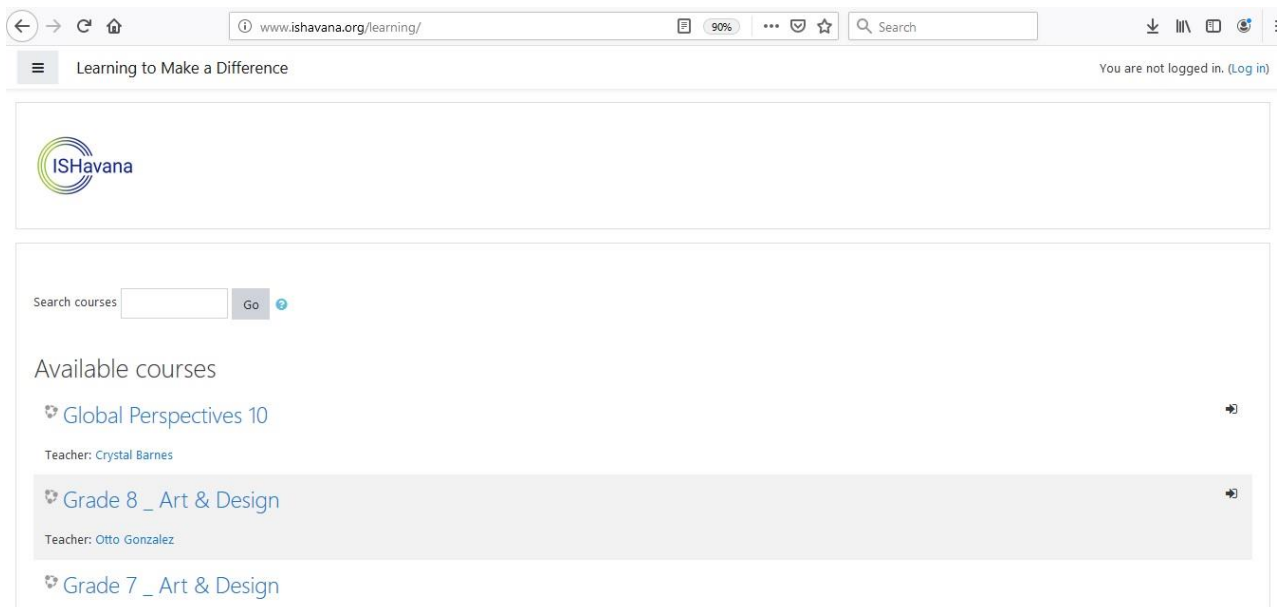

Esta información será solamente para la administración de ISH, para asegurar la seguridad y el bienestar de la comunidad ISH.

Para familias con estudiantes en edad de Secundaria, por favor [PRESIONE AQUI](#) para verificar si tiene acceso a nuestra plataforma de aprendizaje en línea. Si observa algo que parezca como la imagen adjunta va por buen camino.

Si no por favor contacte a la escuela de manera que podamos ayudarlo a acceder a esta importante herramienta para el aprendizaje constante.

Fraternalmente,

ISH Leadership Team
